ORDER:

In the letter read above, the Managing Director, Hyderabad Metropolitan Water Supply and Sewerage Board, Hyderabad has stated that Krishna Phase-1 Scheme was commissioned in the year 2004-05, Krishna Phase-II Scheme was commissioned in the year 2007-08, Similarly, Krishna Phase-III Scheme was commissioned in the year 2015-16. An estimate is prepared for supply, delivery and fixing of 600/700 mm dia Butterfly valves and 600mm dia Non Slam type Nozzle check Valves (NRV), for 1300/1475/1425 KW pump sets at 6.6KV Phase-1, II & III Pump houses at Kodandapur, Nasarlapally and Godakondla.

2. The Managing Director, Hyderabad Metropolitan Water Supply and Sewerage Board, Hyderabad has further informed that, the line valve is not available on 2200 mm dia MS pumping main of KDWSP Phase-I at Nasarlapally Campus and the next line valve is available 5km far away from the Nasarlapally campus, due to which while attending the maintenance works on the pipeline and pump houses the pumping main has to be drain. Hence it is essential to provide 2000mm dia Butterfly valve on 2200mm dia MS Pumping main on KDWSP Phase-1 at Nasarlapally campus. Hence it is essential to procure the required valves to replace the damaged, as the spare valves are not available in stock to operate pumps and also to keep the pumps in stand-by condition to avoid major break downs and water supply interruptions.

3. The Managing Director, Hyderabad Metropolitan Water Supply and Sewerage Board, Hyderabad has further informed that, against the Budget allocated for Rs.2450.00 Crores, the total commitment is Rs.2534.73 Crores. Keeping in view the time required for executing the sanctioned works and spread over of the expenditure, works can be sanctioned 3 times more than the Budget allocated for a particular year (1:3 ratio). Further informed that the commitment for the FY 2025-26 is not even in the ratio of 1:2 and also as the complete expenditure will not be incurred in this financial year 2025-2026.

4. The Managing Director, Hyderabad Metropolitan Water Supply and Sewerage Board, Hyderabad has therefore requested the Government to accord administrative sanction for an amount of Rs.21.00 Crores (Rupees Twenty One Crores only) towards the work "Supply, delivery and fixing of 600/700 mm dia Butterfly valves and 600mm dia Non Slam type Nozzle check Valves(NRV) for 1300/1475/1425 KW pump sets at 6.6KV Phase-I, II & III Pumping stations at Kodandapur, Nasarlapally and Godakondla and 2000 mm dia Butterfly valve on 2200 mm dia MS Pumping main of KDWSP Phase-I at Nasarlapally under Electrical Sub Division, SD-IV of Transmission Division No. II, Sahebnagar" duly charging the expenditure to the Government Budgetary Head of Account "Loans to HMWSSB for Developmental works (6215-01-190-00-08-001-000)".
